

# DHA ALGAE POWDER: PREMIUM DOCOSAHEXAENOIC ACID

A Scientifically Advanced Microencapsulated Form of DHA from Sustainable Microalgae for Cognitive Development and Nutritional Fortification

## COGNITIVE DEVELOPMENT

Supports brain and eye development in newborns and infants.

## MATERNAL NUTRITION

Provides essential DHA for fetal development and postnatal recovery.

## CHILDREN'S FOOD

Fortifies growing-up milk, cereals, and snacks.

## DIETARY SUPPLEMENTS

Capsule or powder format for brain health and wellness in all life stages.

## VEGETARIAN & PURE

A sustainable, plant-based source of DHA, free from ocean contaminants.

## ADVANCED MICROENCAPSULATION

Protects DHA from oxidation, minimizing odor and taste.

## SUPERIOR SOLUBILITY

Engineered for seamless blending into wet and dry applications.

## NEUROLOGICAL HEALTH

Fundamental omega-3 for memory, focus, and visual acuity.
